

Career

Inersia is a young, successful, and active participant in the IT market. We are always interested in developing promising relationships with those who are also at the forefront of technology.

We thus welcome creative, enthusiastic, dedicated, and technically skilled candidates. Why we invite you to Inersia?

- At Inersia, you have the opportunity for professional growth. Inersia provides well-managed, challenging work conditions that allow team members to realize their potential, work in a friendly atmosphere, and enjoy the common spirit of cooperation of the Inersia team.

- Inersia operates with a flexible salary policy. Salaries are reviewed after the initial probation period and depend on the complexity of the assigned tasks and the experience and abilities of the team member.

- Inersia does a lot to foster employee satisfaction and relationship-building, which makes for a stronger team. Self-education and knowledge-sharing within the company are encouraged.

-

More advantages of working at Inersia:

- In addition to regular salary, team members are rewarded for each accomplished project.

- Team members are free to establish the routine of work to their convenience.

- No overtimes because the Company's activities are well-planned and organized.

- Fully-paid leaves and sick-lists.

- Air-conditioned offices.

- Quality tea and aromatic coffee at the expense of the Company. Visit "Open Positions" to view a list of open positions and details about the required experience and skills. We encourage you to fill out the online "Application Form" even if there is no current vacancy that you wish to apply for right now. Your information will be stored in our database and we will contact you if we have an opening that matches your qualifications.
